

**BELCONNEN HIGH SCHOOL
LOCKER HIRING SCHEME CONDITIONS**

STUDENT AGREEMENT

1. I understand fully that I do not own this locker. I am only renting it and it is my responsibility to keep it in excellent condition for the next hirer. I will at *no time swap /share or store other students items in my locker at any time, or use a locker that has not been allocated to me.*
2. I accept that lockers may be inspected during my school vacation, so I will remove anything of a private nature at the end of each term. I have the right to be present during any inspection during term time.
3. I know that I will have to pay *immediately* the full cost of repairs and/or repainting if I damage any locker in any way.
4. My locker will be kept completely free of stickers, food, sticky tape and graffiti, and I will not scratch or deface the numbers. I will use *BLUE TACK* to attach anything to the inside of my locker, eg my timetable.
5. I will not remove the metal hanging rod inside my locker. I know that I will have to pay at least \$6.00 for replacement if it goes missing.
6. I will report immediately any person I see damaging or defacing any locker at any time - either my own locker or anybody else's locker.
7. If my locker is damaged in my absence I will report this as soon as I find out about it.
8. I will not store food, drink or any liquid of any kind in my locker other than on a daily basis. At end of term or year I will have left my locker clean.
9. All lockers require a padlock (Medium size Lockwood) to be purchased by my family. A spare key may be held at the front office for my convenience. The school recommends a strong sturdy medium-sized padlock
10. I understand that I may lose my locker, without refund of hiring fee, if I do not observe all conditions 1 - 9 above.
