SMOKE FREE CONTRACT

Name of Student:

Year:

Belconnen High School and the Department of Education and Training are concerned with the health and well-being of all students in ACT public schools. Departmental policies have been developed to ensure schools are able to meet the needs and well-being of the students. Students found smoking on school grounds will be counselled and parents or carers will be informed. The school will implement appropriate disciplinary action.

Therefore smoking and possession of cigarettes are not permitted at BHS. The purpose of this contract is to address the reasons why the student smokes and educate them to make a more informed decision.

EXAMPLES OF SHORT AND LONG TERM EFFECTS OF SMOKING

If you smoke, these are some of the consequences to your health
